The Pink Ribbon is a program of the Cris Collinsworth ProScan Fund.

ccpf.org

Through the Pink Ribbon Programs, the Cris Collinsworth ProScan Fund provides compassionate care, educates women on the importance of proactive breast health, and offers support for women newly diagnosed with breast cancer.

- Provides funding for Breast MRI
- Educates patients on breast density
- Dedicated to improving detection in dense breasted patients

- Provide mammography, breast biopsy, DEXA, cyst aspiration, needle localization and ultrasound
- By receiving a service at the Pink Ribbon Centers, you are supporting the Pink Ribbon Programs
- Located in Madisonville, Tri-County and Over the Rhine

- Offers mammograms and other breast health services at no cost to patients who qualify
- Services provided at the Pink Ribbon Centers

- Provides complimentary transportation to and from appointments at the Pink Ribbon Centers
- Removes common barrier to receiving breast health services

- A gift of educational materials and comfort items sent to newly diagnosed breast cancer patients
- Brings hope to patients as they begin their healing journey
- Distributed nationwide

- Connects newly diagnosed breast cancer patients with survivors
- Offers one-on-one support

- Educates the community on the importance of breast health
- Builds awareness of the programs available for breast health and screening

- Promotes a comprehensive healthy lifestyle
- Offers information on topics including food, mental and physical health as well as laughter and self care.
